4. Academy characteristics

Summerbank Primary Academy is a larger than average primary school with 462 pupils on roll located in Tunstall, Stoke-on-Trent. Tunstall is ranked 3rd in Stoke-on-Trent in terms of its average deprivation score with 100% of residents living in areas classified amongst the 20% most deprived in England, 43.2% of whom are living in areas classified amongst the 10% most deprived.

47% of our current intake are from disadvantaged backgrounds and in receipt of Pupil Premium funding.

There are currently 88 children listed on our SEND register. This is 19.3% of the children on roll. Of the children with SEND, 84 (95%) are at SEND support and 4 (5%) have Education Health and Care Plans (EHCP). The national average for children with SEND is currently 14%.

73.6% of pupils are from minority ethnic groups, currently 58% of the academy have English as an Additional Language, numbers vary on a weekly basis. The predominant second language is Urdu/Punjabi but there are an increasing number of other languages in academy. We have an increasing number of children New to English coming mainly from Europe speaking Roma-Slovak, Czech, Polish, Spanish, Italian, Urdu, Portuguese, Hungarian, Romanian and Lithuanian. In total we have 28 different first languages in school.

Mobility is high across the academy, with a change of approximately 28% of the school population in the last academic year.

5. Intent for the use of Pupil Premium Funding		Intended Impact
A	At key National milestones the gap in achievement between disadvantaged pupils and all pupils nationally is diminishing.	Pupils achieve (or exceed) expected levels in GLD, Reading, Writing, Mathematics, SPaG related to their individual start levels.
B	Ongoing monitoring demonstrates that provision for disadvantaged pupils is leading to at least expected progress for pupils in all year groups.	There is evidence of the gap between PP attainment and National All Pupil attainment diminishing at key national data points.
C	Attendance and punctuality of disadvantaged pupils is improving towards national benchmark	To raise the attendance of disadvantaged pupils' attendance (currently 93.1 % in academic year 2018/2019)
D	Disadvantaged pupils can access learning effectively because their physiological, emotional, social and safety needs are being met.	Pupils are ready to learn in class. The number of interventions at the point of learning are reduced
E	Disadvantaged pupils experience a full, appropriate and enriched curriculum to support the development of cultural capital	The curriculum provides opportunities for pupils to broaden their horizons and knowledge and understanding of the world. Pupils attend events/visit places they would not usually be exposed to.
F	Disadvantaged pupils demonstrate increased confidence, communication and language skills.	Vocabulary scores in KS1 and KS2 assessments demonstrate improvement toward the national. Pupils are given the tools and opportunities to express themselves and perform.
G	The engagement of parents/carers of disadvantaged pupils positively influences the outcomes for their children (social, emotional, academic)	Parental uptake of opportunities in school to participate in: shared learning with their children; personal learning; and engage with support agencies increases.
