

Dear Summerbank Families,

Firstly I would like to thank you for all of your support with the many changes that have been put into place since we've been back at school. This has been a very challenging time but the children have done brilliantly since returning and set a real example to all of us.

As we start half term it is really important that as a school community we continue to work together to keep everyone safe.

To do this I would ask you to:

1. be alert and if anyone in your household has COVID-19 symptoms, please do go for a test and isolate everyone in the house until a negative result is received.
2. follow Government guidance on isolating if a positive test is received
<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>
3. inform us at school either by emailing office@summerbank.co.uk or by texting/phoning the school mobile 07398 342326 if a positive result is received in your household during half term

As cases in the local area are rising, please do make sure that over the half-term holiday you:

- avoid mixing households
- do not meet up with more than 6 people indoors or outdoors
- stay more than 2m away from people you do not live with

We look forward to welcoming you back to school on Monday 2nd November and hope that you have a good break despite the current difficult times

Take care

Miss Pearson
