November 2021

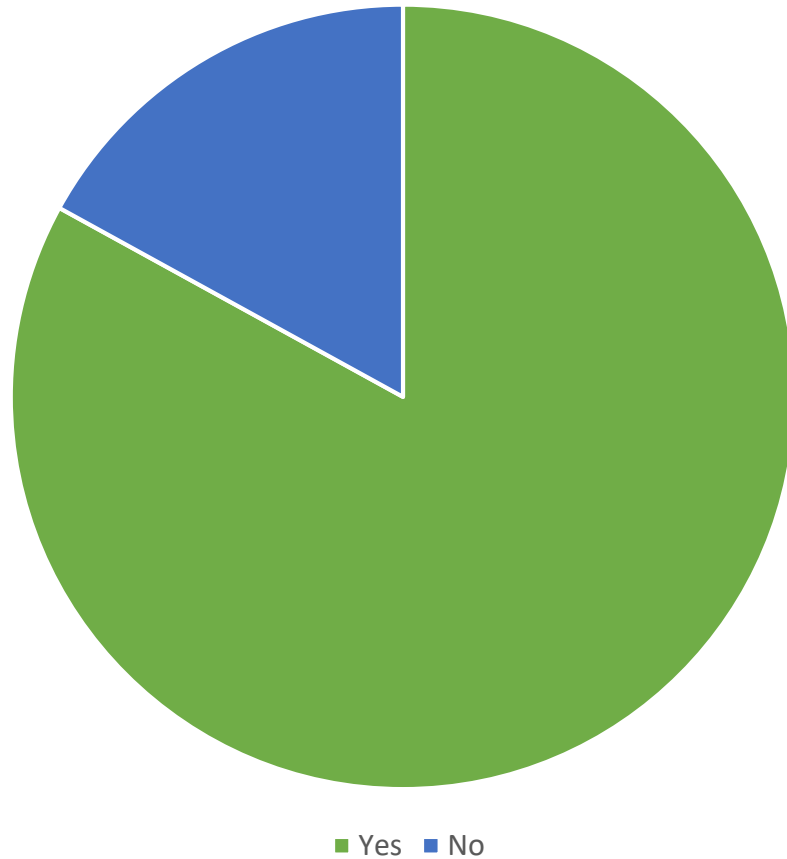

# 1. What year groups is your child/are your children in?

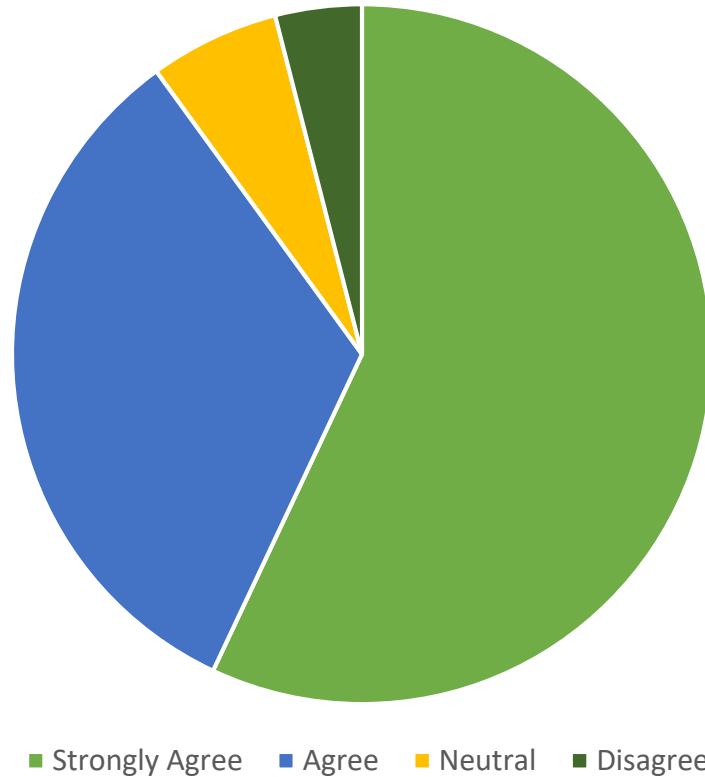

2. I understand what the Relationships Education curriculum will cover in school:

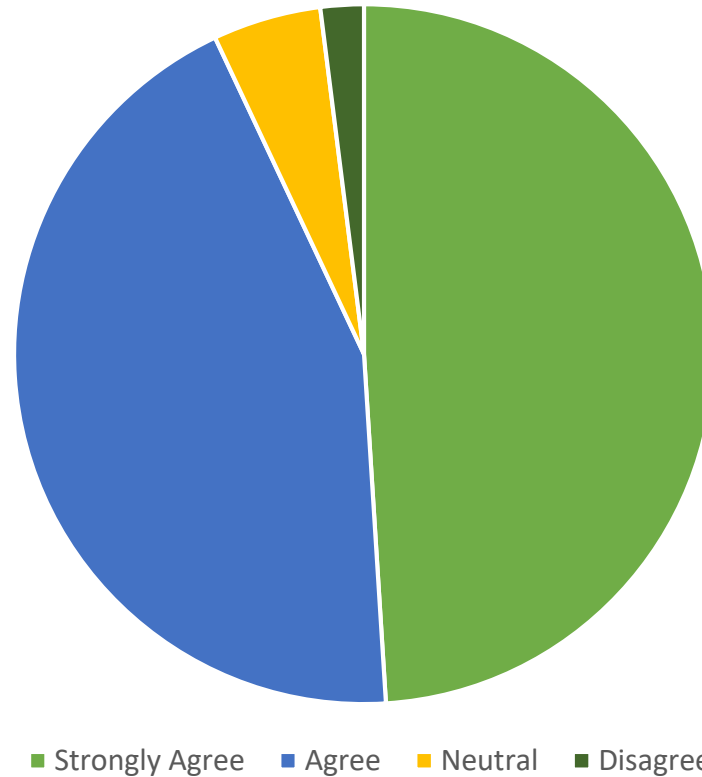

3. I would like to know more about what the school will be teaching is teaching as part of RSE at each year group:

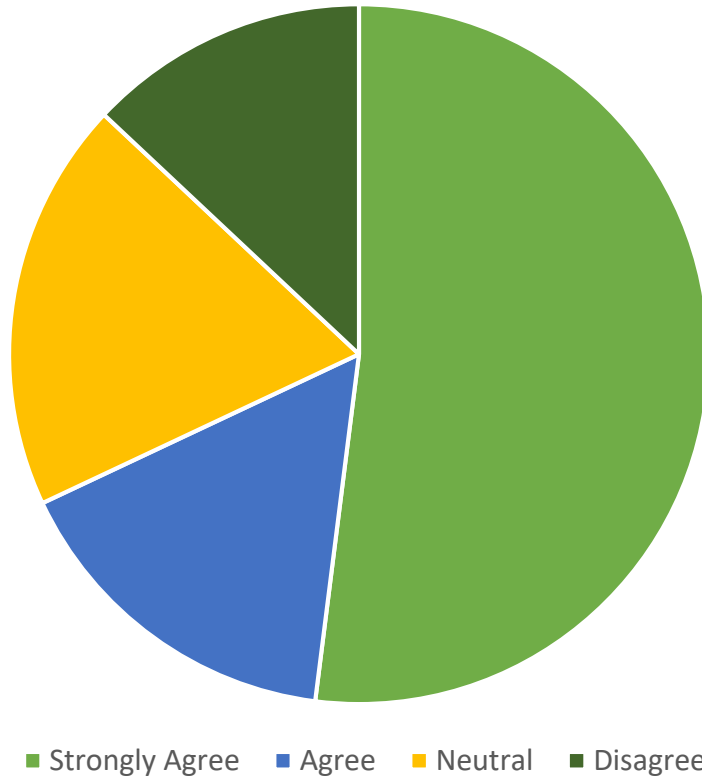

4. I understand that it is important that children know about safe/unsafe touch and why knowing this helps to keep them safe:

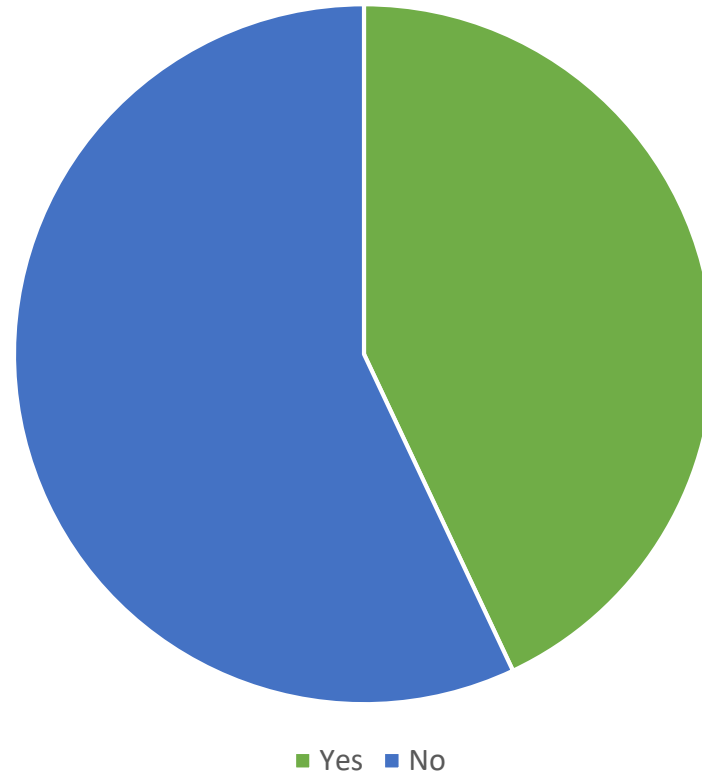

5. I feel confident about answering my child's/children's questions linked to relationships and growing up:

6. When puberty is taught in Year 5 and Year 6 I would prefer it to be done as separate boys and girls lessons:

7. Primary schools have the choice to teach conception, pregnancy and birth as part of RSE. Would you support this being taught to Year 6?

8. If we did teach conception, pregnancy and birth as part of RSE in Year 6, how likely are you to withdraw your child from those lessons?
